

Dear Parents,

Do you receive Naviance email “blasts” from the RHS Counseling Department?

NO?

Make sure you set up your Naviance parent account! You’re missing out on important information!

Registering with Naviance allows parents to receive “blasts” (emails) from Counseling Department staff.

- Parent access codes were previously mailed home. If you still have the letter with the code, simply log onto <https://connection.naviance.com/fc/signin.php?hsid=ridge>, click “I need to register,” and follow the instructions.
- If you’ve lost your code, please email Mrs. Grossmann in the Counseling Office (agrossmann@bernardsboe.com) with your name and your child’s/children’s names (even if they have already graduated!).
- If you have an account for an older child and you simply need to “link” the younger sibling, please also email Mrs. Grossmann for assistance. Blasts are tailored to certain grades, so you’ll want to have all your children under one parent account (you will not need a separate log-in).
