

RHS PTO Needs School Directory Co-Chairs!

Ridge PTO is looking for parent volunteers who will work with AtoZ to provide information for paper directory production and give online access to new families. The job involves input of new data, revision of current data, and coordination of layout and production. Training will begin in May. Work begins in late July and ends with Back to School Nights.

If you're interested, please send an email to Shannon Yu at kiss07920@gmail.com or Joanne Marcus at jmarcus500@gmail.com
no later than Monday, April 30.

Important Note:

If we do not get co-chairs by 4/30, then there will not be a printed PTO directory for 2018-19.
